

March 1st Application Deadline

It is through the generosity of many individuals, businesses, foundations and service organizations that Flint Hills Technical College is able to offer a variety of scholarships and awards to qualified students.

To be considered for funding opportunities, all scholarship application materials **must be submitted to the Financial Aid Office by March 1st**. Applications received after the deadline will be eligible for a limited amount of second-round funding opportunities including any new scholarships developed after the deadline.

To apply for FHTC scholarships, you must submit one of the following to the Student Services Office as required for the admissions process:

- High school transcript showing seven semester's work for current high school students, or
- Final high school transcript, or
- Academic transcript(s) from post-secondary institution(s) (where minimum 12 hours are completed,) or
- GED score

All scholarship applicants must:

- Complete a scholarship application
- Complete all FHTC Admission Requirements
- Be a degree-seeking post-secondary student
- Be enrolled in a program of study
- Complete the Free Application for Federal Student Aid (FAFSA)
- Complete a technical certificate or equivalent if pursuing an Associate of Applied Science Degree (AAS)
- Be enrolled full-time for priority scholarship consideration

Applications will be considered for all Foundation and Institutional scholarship opportunities. Only one application is required unless the specific scholarship criterion states otherwise. Certain scholarships have a specialized application process. The Scholarship Selection Committee determines awards. If a student does not demonstrate Federal Financial Aid need, it does not disqualify them from receiving an institutional scholarship.

Scholarship applications will not be processed until all required documentation is received in the Student Services Office. Applicants are responsible for providing complete information. The college will not contact the applicant to request additional information should the application be incomplete.

Priority will be given to full-time post-secondary degree-seeking students (12 credit hours or more or the maximum number of credit hours available for the program.)

High school cumulative GPA or GED score will be used to determine eligibility. For cumulative college GPA to be considered, twelve (12) college credit hours must have been completed (regardless of where the student attended) and will be averaged to determine their cumulative GPA.

Scholarships are awarded for the academic year and begin the semester immediately following your notification and acceptance of the award(s). Awards will be applied directly to the student's educational costs to cover tuition, educational fees, textbooks, and necessary supplies and will not be distributed to the student unless special situations arise. Half of the award amount will be given each semester, unless otherwise indicated. The scholarship is renewable for the second semester, conditional on maintaining a minimum 3.0 GPA for Foundation scholarship and minimum scholarship criteria for all other scholarships. Students must reapply for scholarships each academic year, unless otherwise indicated.

Students must accept scholarship awards and are required to send a thank you letter to the donor(s) of their scholarship(s). Scholarship funds will not be released until the FHTC Foundation receives the thank you note(s).

Answer all questions that apply to you. If not applicable, write N/A. An incomplete application may delay processing.

Return application with required exam scores, transcripts to:
Mail: Financial Aid Office, Flint Hills Technical College,
3301 West 18th Avenue, Emporia, KS 66801-5957
Email: eclark@fhct.edu
Fax: 620-343-4610

I. Personal Information

Legal name LAST _____ FIRST _____ MIDDLE INITIAL _____
