

Notice of School Accreditation

The Flint Hills Technical College Dental Hygiene program, located at 3301 W18 Ave in Emporia, Kansas, is currently accredited by the American Dental Association on Dental Accreditation. Representatives of the accrediting agency will visit the school on October 22-23rd, 2024, to evaluate for reaccreditation. All comments must pertain only to the commission's standards and must be received in the commission office at 211 East Chicago Avenue, Chicago, IL 60611, no later than 60 days prior to the site visit. Members of the public may obtain a copy of the appropriate standards and/or the commission's policy on third-party comments by contacting the commission at the address provided or by calling 1-800-621-8099.
